Florida Driver License/ID Card
Renewal / Replacement /
Address Change / Name Change

The Federal Real ID Act requires documentation that establishes your identity when applying for a Florida Driver License or ID Card. A STAR on your Florida Driver License or Florida ID Card means you are Real ID compliant. There are a couple of different designs in circulation. Once you obtain Real ID Compliance, proof may not need to be resubmitted (unless changing your name or address). An example is shown on the right.

If NOT Real ID Compliant, you are required to provide documents that will establish your identity. Refer to page 2 for a snapshot of the most common documents provided. For a complete list of acceptable documents and to create a personalized checklist just for you, visit gathergoget.com.

Not a Manatee County resident? Out-of-County residents can only be served at our Driver License Office, located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the "Non-Manatee County Resident DL/ID Card Transaction" Service in order to be served. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.

You can renew your Florida Driver License or ID Card up to 12 months in advance. You won't lose any time by renewing early. It will just extend your expiration date. Renew online at gorenew.com.

If you wish to complete your driver license or ID card transaction at one of our offices, you must complete an Application for Driver License or ID Card. This form can be obtained at taxcollector.com/dl-forms.cfm. Visit taxcollector.com to schedule an appointment and avoid the line.
