Referred to the Driver License Office

The Manatee County Tax Collector's Office offers a full range of driver license services; however, four of our offices only process limited services. Limited services for US and Naturalized Citizens (who have been naturalized for over two years and have a FL DL/ID) include the following: replacement of a lost Florida license, address and/or name change, renewal, and out-of-state transfer to Florida.

All other transactions, outside of the limited services listed [including testing, commercial (CDL) licenses and suspensions/revocations], must be processed at the **Driver License Office** located at 904 301 Blvd. W., Bradenton, 34205. There is a minimum fee of \$6.25 due up front for all visits, including inquiry-only visits.

Not a Manatee County resident? Out-of-County residents can only be served at this office, located at 904 301 Blvd W, Bradenton. An appointment is required. Visit taxcollector.com to schedule an appointment. You must select the "Non-Manatee County Resident DL/ID Card Transaction" Service. Testing services (e.g. road testing, written exams) are provided for Manatee County residents only.
